

VOLUNTEER FAIR

Westmount Secondary School

FRIDAY OCTOBER 22, 2010 • WESTMOUNT SECONDARY SCHOOL • 9:00AM-3:00PM

The Westmount Secondary School 2010 Volunteer Fair is an opportunity for you to showcase your organization and volunteer opportunities to 1,400 secondary school students, each of whom will complete at least 40 hours of volunteer activities. The Ministry of Education recognizes the importance of volunteerism, and therefore students are required to commit these hours in order to receive their high school diploma.

We look forward to a day that will excite our students about volunteering and provide information on volunteer opportunities that students may not have considered. This is YOUR opportunity to showcase your organization and all of your volunteer needs to more than 1,400 students, each of whom is looking for volunteer opportunities.

To take part please contact Westmount's Parent Council Rep, Judi Davies, at judirickandnick@bell.net or 905.389.5788.

Thanks for providing our students the opportunity to positively impact the community through volunteerism.
